## TWO PARIS BANKS CONSOLIDATED INTO ONE.

Two Popular Financial Institutions Merge Under One Head.

S. E. BEDFORD  
NEW PRESIDENT.

Consolidation Will Become Effective Early in July.

As the result of plans which have been under consideration for several days, and which were finally brought to a head here Wednesday, two of the best-known financial institutions in the city, the Deposit Bank of Paris, and the Peoples' Bank, will be merged into one institution, the consolidation becoming effective early in July.

The combination was effected at a joint meeting of the directors of both bank, when all the details were worked out.

The Deposit Bank is the oldest bank in Bourbon County, having been originally organized in 1851, and has long been one of the most popular and prosperous banks of the city. Its last statement showed deposits of \$407,000, and loans of \$470,000, while the last statement of the Peoples' Bank, which began business in September, 1912, showed deposits of \$140,000, and loans of \$200,000. The combined capital will be \$150,000; deposits, \$550,000; loans, \$700,000; assets, \$850,000. The Peoples' Bank has had a business existence of about twenty months.

Under the terms of the merger the Peoples' Bank will be liquidated and all its assets and business merged into the Deposit Bank and the stockholders of the Peoples' Bank will be given an equal amount of stock in the combined bank by paying enough to equalize the stock value.

Mr. Silas Bedford, the present cashier of the Peoples' Bank, will be the president of the new bank and Mr. Clarence Thomas, cashier of the Deposit Bank, will be the cashier of the combined bank. Both of these gentlemen have had large experience in the banking business, Mr. Bedford having been for many years cashier of the Bourbon Bank before the Peoples' Bank was organized, and Mr. Thomas having been connected with the Deposit Bank for some fifteen years or more, a large part of the time as cashier. Both have the entire confidence of the community.

Mr. Joseph M. Hall, who has been president of the Deposit Bank since 1892, will retire from the presidency on account of his private business, which demands his time. All the directors of the Peoples' Bank will be taken into the directorate of the new bank, and all the employees of both banks will hold their present positions in the consolidated bank, and the place of business of the new institution will be the Deposit Bank building.

The combined bank will be the largest and strongest financial institution in Bourbon County, and, judging from the past of both the parties to the merger, they will play an important part in the financial future of this city and county.

The large room in the rear of the bank building, now occupied by Mr. Frank Remington's job printing establishment, will be remodeled and utilized as a room for the big vault and safe.

The bank will open its doors under the new institutional name of "The Depository and Peoples' Bank" early in July.

CENTRAL KENTUCKY IN GRASP OF A TORRID WAVE.

For a week or more this section of Kentucky has been literally sizzling under a tropical sun, the mercury in reliable thermometers ranging from 90 to 101 at various times and places. Sweltering humanity spent its everyday work in as little raiment as the law allowed, and when the evening shadows crept on sought the outdoors for relief, all to no avail. The heat at night almost equaled that of the daylight hours. Men and beast alike suffered, and while no prostrations from heat have been officially reported, there have been several cases in the county.

The intense heat and the lack of rain has caused a temporary cessation in the work of tobacco transplanting, and the growers are forced to play the Wilson-Bryan plan of "Watchful Waiting."

The poet wrote "Oh what so rare as a day in June."

If that guy happened to revisit old mother earth he would find that the June days in this section are "well done, parboiled, fried, oven-baked and sizzled."

## ENCOURAGING NEWS RECEIVED.

Senatorial and Congressional Candidates Satisfied With the Outlook.

TO CARRY FRANKLIN.  
FRANKFORT, KY., June 25.—The Claude Thomas organization in Franklin County will be presided over during the campaign by Dr. Joseph Severance, of this city, one of the most widely known pulpit orators in the State. Although a minister, Dr. Severance has always taken a likely interest in politics, and is a member of the city council.

He was formerly chaplain at the State Penitentiary. Thomas headquarters will be opened and a hard fight will be made to carry the county for him.

THOMAS AT OWENTON.  
OWENTON, KY., June 22.—Claude M. Thomas to-day made a strong speech in behalf of his candidacy for the Democratic nomination for Congress to a crowd which fairly well filled the court house at Owenton.

Mr. Thomas reviewed the record of Congressman J. Campbell Cantrill as a consistent supporter of the liquor interest in politics and told of the aid given by the Congressman to the Republicans in the election of Governor Bradley to the Senate over Governor Beckham.

Mr. Thomas was introduced in a pleasing manner by Judge J. W. Cammack. A feature of the meeting was the attendance of perhaps forty of the Cantrill organization from Scott County, in automobiles, wearing big red Cantrill badges. They aroused considerable adverse comment by their presence, and their flaunting of the badges before a crowd gathered to hear the opponent of the candidate they represented.

Twenty-five residents of Scott County, who formerly were citizens of Owen, came from Georgetown to hear Mr. Thomas. He made a good impression, and the Cantrill men in this county are scared and some of them are frank enough to admit it.

EXPRESSES CONFIDENCE  
"Mr. E. K. Thomas, of Bourbon County, father of Hon. C. M. Thomas, candidate for the Democratic nomination for Congress from the Seventh Congressional District, opposing the present incumbent, J. Campbell Cantrill, was in Winchester Monday mingling with the court day crowd, and interesting the voters in the candidacy. Continued on Page 8.)

### BASE BALL.

By defeating Lexington, Tuesdays, 5 to 4, Paris won its first game since entering the Ohio State League. Lexington scored two in the fourth on three singles and error. Paris came strong in their half and scored three on a single and home runs by Daubert and Applegate. Lexington scored two more in the sixth on two singles and two errors. Paris also scored two on two singles and a base on ball. The features of the game was the hitting of Crouch and Applegate and the fielding of Hobbs.

The summary: Lexington ..... 0 0 2 0 2 0 0 4 Paris ..... 0 0 3 0 2 0 0 5

Two-base hits—Brown, Applegate. Home runs—Daubert, Applegate. First base on balls—off Woodrum, 5; Black, 5; Utrecht, 6. Stolen bases—Garrett, Sacrifice hits—Dawson. Double plays—Brown to McElroy. Time—one Arundel.

Pitcher Hart, who was released here by the management of the Lexington team, has been signed by the Lexington Colts, and joined the team at Lexington, Wednesday.

### WEDNESDAY'S GAME.

CHARLESTON, W. VA., June 24.—Goodman's single in the ninth allowed Charleston to tie the score in the game with Paris. In the tenth Keating scratched a hit, was sacrificed to second and scored when Schrimper threw the ball away, Charleston winning 2 to 1. Sensational fielding by both teams featured. The summary: Paris ..... 0 1 0 0 0 0 0 0 1-2 Charleston ..... 0 0 0 0 0 0 0 0 1-2

Two-base hit—Schrimper. Double plays—Daubert to Garrett to Schrimper; Keating to Beers to Spencer. Hits—off Ratliff, 7 hits in seven innings; Applegate, 1 hit in three innings. Struck out—By Ratliff, 5; by Applegate, 2; by Cefau, 4. Bases on balls—off Ratliff, 5; off Cefau, 2. Sacrifice hits—Wetzel, Bresnan, C. Applegate, Cefau. Stolen Bases—Bresnan, Moore. Time of game—One hour and forty minutes. Umpire—Shafer.

In the second of the Charleston-Paris series on the Charleston grounds yesterday afternoon, Paris was shut out by a score of 5 to 0.

RAILWAY WINS LAND THAT IS WORTH \$500,000,000.

A decision favoring the title claimed by the Southern Pacific Railroad to 200,000 acres of California oil land, worth \$500,000,000, was given Tuesday by the Supreme Court, in Washington, in two test cases.

Railroad ownership was disputed by California, Detroit and Cleveland citizens, who sought miners' patents on the land claimed by the railroad under old construction land agents.

## EPWORTH LEAGUE IN THREE DAYS' SESSION HERE.

League Opens Interesting Session at the Methodist Church.

PRESIDENT HARRIS PRESIDES

White and Gold Captures the City and is Everywhere In Evidence.

The Fifth Annual Assembly of the Kentucky Conference Epworth League opened its three-days' session at the Methodist Church, in this city, Tuesday night. A large number of delegates and visitors was in attendance. The church was beautifully decorated for the occasion in the Epworth League colors, white and gold.

The delegates were welcomed by the President of the Paris League, Mr. Dennis V. Snapp, in an address full of bright thought. The response on behalf of the visitors and delegates was made by Rev. J. B. Harris, Pres-

MR. DENNIS V. SNAPP,  
President Paris Epworth League  
Who Delivered the Welcome Address

ident of the Kentucky Conference League. Rev. Dr. E. G. B. Mann, of Lexington, delivered the opening sermon, which was an eloquent one, and greatly enjoyed.

After the exercises at the church the delegates adjourned to the lawn at Mrs. Russell Mann's residence, where they were tendered a reception by the officers and members of the Paris Epworth League. Punch and ices were served and a general good time was enjoyed by all.

During his welcome address Mr. Snapp presented the presiding officer a very unique gift, a gavel, made from the wood taken from an old mill-dam which the court records show was made across Stoner Creek near the Paris Mill in the year 1792, and which was revealed in the dry channel of Stoner during the unprecedented drought of 1913. A silver plate on the gavel bears this inscription: "Presented to President J. B. Harris by the Paris Epworth League, June 23, 1914."

The music was an especial feature of the opening session. Mrs. James Grinnell rendered a beautiful solo and several selections were given by a male quartette.

During the reception at Mrs. Mann's open air concert was given by the Paris High School Band, which added greatly to the enjoyment of the occasion.

WEDNESDAY'S SESSION

The second day's session opened with a morning prayer service from 6:00 to 6:45, led by Rev. J. O. A. Vaught, with Miss Violet Renaker, of Cynthiana, at the piano. This was followed by a song service led by Prof. A. H. Morehead.

The sessions were presided over by the conference president, Rev. J. B. Harris, with Secretary O. B. Crockett in his place. After the reports from the chapters were presented, round table discussion was conducted by Miss Violet Renaker, during which helpful suggestions were considered as to the departments of membership, social, literary, devotional, mission study classes, Bible character studies, the quiet hour, prayer circles and report of work to the Central Methodist, a column in which is conducted by Miss Renaker.

President J. L. Clark, of Kentucky Wesleyan College, "Winchester," was on the program for an address, but being unable to be present, his place was supplied by Rev. O. B. Crockett, of Nicholasville, who preached an excellent sermon on "Practical Christianity." Prayers were offered by Rev. G. W. Crutchfield, of Jenkins, and C.

**That Weak Back**

Accompanied by pain here or there—extreme nervousness—sleppiness—may be faint spells—or spasms—all are signals of distress for a woman. She may be growing from girlhood into womanhood—passing from womanhood to motherhood—or later suffering from that change into middle life which leaves so many wrecks of women. At any or all of these periods of a woman's life she should take a tonic and nerve prescribed for just such cases by a physician of vast experience in the diseases of women.

DR. PIERCE'S

**Favorite Prescription**

Has successfully treated more cases in past forty years than any other known remedy. It can now be had in sugar-coated, tablet form as well as in the liquid. Sold by medicine dealers or trial box by mail on receipt of 50 cents in stamp.

Mrs. Elizabeth Lordahl of Berkeley, Cal., in a letter to Dr. Pierce said: "I was completely broken down in health. I was so weak that I could scarcely move. I had no appetite over my body and was so nervous that I could scream if anyone spoke to me, but I had the good fortune to meet a nurse who had been cured by Dr. Pierce's prescription. I have never had an occasion to consult a physician since—am in excellent health."

Dr. Pierce's Pleasant Pellets regulate stomach, liver and bowels—sugar-coated, tiny granules

TOBACCO MEN ELECT  
OFFICERS AND ADJOURN.

The meeting of the United States Tobacco Association in session in Lexington came to a close Friday, the principal business of the closing day being the election of officers for the ensuing year, the day being spent by most of the delegates in visiting places of interest in the morning and the matinee trots in the afternoon.

President T. M. Carrington, of Richmond, Va., and Secretary-Treasurer G. E. Webb, of Winston-Salem, N. C., were re-elected to their respective positions. Mr. W. L. Petty of Lexington, was elected First Vice President, while Messrs. R. P. Wilson, of Wilson, N. C., and B. P. Eggelston, of Drake's Branch, Va., were elected second and third vice presidents respectively.

The election was held immediately after the luncheon served them by the Burley Tobacco Society at the former site of High Oak Sanitarium.

Directors: W. T. Reade, Richmond, Va.; A. P. Thorpe, Rocky Mount, N. C.; W. O. Mitchell, Oxford, N. C.; J. L. Wingo, Richmond, Va.; S. W. Vennerable, Durham, N. C.; W. L. McGill, Petersburg, Va.; G. T. Patton, Darlington, N. C.; J. L. Miller, Winston-Salem, N. C.; G. O. Tuck, Louisville; E. J. O'Brien, Louisville; M. H. Irvine, Lexington; H. E. Spillman, Huntington, W. Va.; E. B. Ficklin, Greenville, N. C.; E. V. Webb, Kinston, N. C.; W. G. Rogers, Warrenton, N. C.; J. M. Edmonds, Wilson, N. C.; C. A. Walters, South Boston, Va.; M. R. Cotton, Louisville, Ky.; J. A. Clark, Bedford City, Va.

Following the election the board of directors met and re-elected G. E. Webb, of Winston-Salem, N. C., secretary-treasurer for the ensuing year.

U. S. GOVERNMENT PICKS  
FOREST RESERVE SITE

The watershed of the Eastern Appalachian slope in Pike and Letcher counties, where the headwaters of the headquarters of the Cumberland, Kentucky, Licking and Big Sandy are divided by the ridges of Pine Mountain, has been selected by the Government Bureau of Forestry for a forest reserve in Eastern Kentucky, and a reconnaissance crew will go to work in that section the first of July and spend months locating the most desirable area for reforesting and protection of the watershed.

The government also will select a location for reserves in West Virginia and Virginia near the Kentucky border, part of the reserve probably running into all three States. The bureau expects to have options ready so that the necessary appropriation may be secured from the next Congress.

State Forester J. E. Barton will meet with the Government crew in the mountains about August 1.

**STOCK AND FARM NOTES.**

Shipments of Argentine cattle to the United States for the first two weeks of June aggregated 64,000 quarters, equal to 16,000 head of live cattle.

The tobacco is about all transplanted in Bourbon County and some of it looks well, though rain is needed to give the young plants a good start. A large acreage will be cultivated in the county, and large returns are anticipated, especially if fertilizers are judiciously used. Cut worms are said to be doing some damage.

Fat cattle are in excellent condition and are taking on flesh well. They are standing the hot weather fine and will be in good shape when the market opens, which will be the latter part of the month. There has been a few cattle sold at prices ranging from 7% to 8 cents, but from talks with cattlemen they believe that the price will advance considerably over that figure. These fat cattle begin to move steadily in July, August, September and October.

Mother's Frocks Are Simplified to Suit the Daughter.

ACCORDION PLEATING  
CONTRASTING HEM.

NEW YORK, June 25. From out of Father Time's Chest, from the till labeled 1880 have come the basque and polonaise. To be sure they look different, but so slight is the change that it seems as though it is the figure of the woman rather than the cut of the garment itself that makes them seem a part of the fashions of 1914. Then the waists were small and compressed, now the larger the waist the prouder the well built woman is. In fact, pads have been worn by naturally small-sized women to make them appear larger around the waist than nature really intended them to be.

and green leaves set in each indentation at the front of the hat with a long feather extending from each.

As the girl passes the age of twelve years, dressing her becomes a problem. She begins to have ideas of her own, and mother's opinions are being constantly jostled from the even tenor of her established views of what is proper, what is too young, and what is too old, for her daughter to wear.

In my illustration is a girlish dress to strike the happy medium of what mother likes and of what daughter likes. Plain white crepe is the material used, with vest and cuffs of white crepe, having a ratiere stripe evenly spaced across it. The shirred skirt with tunic is of the latest style, which no longer confines the ankles, but allows free and unhampered motions. A wide girdle of royal blue satin completes the costume. The hair is worn loosely combed back and tied at the nape of the neck with a large blue satin bow.

The frocks for a young girl follow closely upon the style of her mother's dresses, only simplified to suit her youth. Tunics and panniers are modified, while fluffy ruffles on dresses of sheer material are all supreme. A charming dress of sheerest of batiste is made with five ruffles, one above the other. Each ruffle is lace edged and corded on the edge which is stitched to the skirt. At the waist the skirt is finished with a narrow ruffle corded and fastened to the top of the skirt looking as though it were the top edge of the skirt. The waist was made with the body and sleeves in one and cut low, drooping off the shoulders, with the fullness corded and drawn up on the cord. A tucker of net is finished with a narrow rill of itself to fill in the neck of the dress.

### ANNOUNCEMENTS.

We are authorized to announce Hon. C. M. Thomas as a candidate for the Democratic nomination for Congressman at the August primary, to be held in this county on Saturday, August 1, 1914.

### WINCHESTER MAN SUES PARIS SEED DEALER FOR \$5,000.

R. P. Scobee, of Winchester, filed suit Tuesday in the Clark Circuit Court against Ford Brent, of Paris, to recover \$5,000 which he alleges he paid over to Mr. Brent on a wager concerning the price of bluegrass seed. Mr. Scobee sets out that in the spring and summer of 1911, he and Mr. Brent entered into a wager or bet, in the form of contracts, by which the plaintiff was to sell a large quantity of bluegrass seed to Brent for August delivery. He sets out that it was not expected by either that the seed was to be delivered, but the wager should be settled by the payment of money, the difference between the price mentioned in the wager or purported contract, and the market price on August 1, 1911, in case the price went higher, Scobee to pay Brent the difference, and in case it went lower, Brent to pay Scobee the difference.

The price of grass seed rapidly advanced, Scobee claiming that Brent, at the time of the wager, had entered into an illegal combine with R. B. Hutchcraft and others to control the price of the seed, and Scobee, in settlement, paid Brent the sum of \$5,000 cash and gave his promissory note for \$6,000, which \$11,000 constituted the difference in the market price and the price named in the alleged wager.

Scobee avers the money was paid on a wager and the purported contract is void under the law. He says Brent knew no seed was to be delivered by him, and at the time of the purported contract Brent and his associates had practically full control of the bluegrass seed market.

The note for \$6,000 mentioned in his petition by Mr. Scobee has been purchased by a Paris Bank, and suit has been brought against Mr. Scobee to cover the amount of it.

## EPWORTH LEAGUE CONFERENCE.

Continued From Page 1.)

W. Williams, of Oddville.

At the noon hour a bountiful luncheon was served by the women of the Paris church.

During the afternoon session the following important committees were appointed:

Constitution—J. B. Harris and Miss Christine Hendricks.

Resolutions—J. W. Crates, Miss Myrtle Smith and P. Ragan.

Reports—T. W. Watts, Miss Martha Irvine and William Collins.

Temperance and Sabbath Observance—T. W. Barker, Miss E. Clinch and Miss Marjorie Foster.

Missions—Miss Julia Crutchfield, Miss Beulah Hudson and Miss Ollie Fisher.

Nominating—J. W. Crutchfield, Miss Ruth Walker, Mrs. H. A. Power and Miss Beulah Hudson.

The principal speaker of the afternoon was Dr. J. Marvin Culbreth, Assistant General Epworth League Secretary, who gave instructions on league organization. The temperance committee offered a resolution endorsing the Webb-Kenyon bill now pending in Congress, with instructions to send a copy of the resolutions to the Congressmen of the districts represented, asking them to vote for the measure on nation-wide prohibition.

After the conclusion of the day's session, the delegates, sixty-six in number, assembled at the Chippewa Boat Club's Camp, and were taken a ride up "beautiful Stoner." The flotilla of fourteen boats, was towed by the Chippewa's three electric launches under command of Commodore Mitchell Jackson, and Capts. Ben Downey and Doug Thomas. Guests thoroughly enjoyed the trip, and one young woman voiced the unspoken sentiment of all when she said "This is the most beautiful stream of water in Kentucky."

Yesterday's program began with the morning prayer, from 6 to 6:45 a.m. led by Rev. J. O. H. Vaught. The remainder of the program as follows was carried out:

Song Service; Sectional Conferences, Senior and Junior Teams; Round Table, Miss Violet Renaker, of Cynthiana League; "A Constructive Program of Recreation for a Community;" by the team; Reports of Chapters; Address, Mr. Stanley A. Harris; Parliamentary; "Where Shall I Attend College; College Representatives; Recreation; Reports; Address, Dr. Frank Y. Jackson.

### WELCOME ADDRESS.

I am delighted to avail myself of this opportunity to stand before this assembly this evening. It is my purpose to give voice to the spontaneous feeling of good will which this whole community, and more especially this congregation and the local League cherishes toward you, our guests. I am here to greet you, not because of any extraordinary gift of speech or fluency, but as President of the Paris Epworth League, to impress you that our hearts and homes are open and ready to receive you.

Ever since man was created he has dreamed dreams, and when such dreams materialized he has been wonderfully pleased and often very much surprised. In the year 1910, when but a small boy in short trousers, I was elected by the Paris League, then composed of about thirty members, to represent them at the first Kentucky Epworth League Conference, which met in Mt. Sterling. The conference was then organized. Even then I longed for the time to come when the Paris League could invite and entertain the Conference. I was again elected to represent the Paris Chapter at the second Conference at Millersburg, and also the third at Cynthiana. And last year was complimented by election to the fourth Conference at Nicholasville, and this time as an instructed delegate to invite the Fifth Annual Assembly to meet in Paris. Thus my one time dream became a reality. Few persons have been fortunate enough to have the pleasure of their dreams coming true, as I have this evening.

Allow me here to say a few words in regard to the Paris Chapter, in whose behalf I am here to welcome you. Up to this time last year the membership of the Paris Chapter was about forty, and since it was chartered in 1894, from what I can learn, it has never surpassed the fifty mark. Soon after the Conference last June we started a campaign to reach the century mark and to interest more young people in League work, and in one month's time secured thirty applications for membership.

In March we started a similar campaign and succeeded in adding thirty more to our roll. We have now reached the one hundred mark.

While we may be the leading League in point of membership, our report this year cannot be based in other respects on a League of but forty members. Our Conference pledges, our missionary special will not therefore appear

### PROF. AMENDE SELLS HARRISON COUNTY FARM.

Prof. E. Amende, of Montgomery, Ala., has sold his farm of 127 acres on the Leesburg pike, in Harrison County, to H. F. Griffith, of Cynthiana, at a private figure.

## DEATHS

### SPEARS.

Mrs. Mary S. Spears, aged 73 years, sister of Mr. Hubble Shropshire, of near Leesburg, died at her home near Leesburg, Saturday. The funeral was held at the Jacksonville cemetery Monday.

### DOW.

The body of Mr. Elsworth Wod, who died Sunday night in Carlsbad, New Mexico, will arrive here this evening and will be taken from the undertaking establishment of Mr. Geo. W. Davis to-morrow morning at 10 o'clock. Services will be held at the grave in the Paris Cemetery, conducted by Rev. Dr. B. M. Shive, of the Presbyterian Church. The pall-bearers will be: Chas. A. McMillan, Harry Marsh, Hugh Brent, John Spears, Bennett Tarr, Houston Rion.

### DEARING.

Mr. John G. Dearing, aged 76 years, a well-known Confederate soldier, and a resident of Midway, died at the home of his daughter, Mrs. R. M. Glass, in that city, after an illness of three weeks. During the last two years of his service in the army he was one of Gen. Robt. E. Lee's trusted scouts.

He was the father of Mr. W. S. Dearing, of Paris, who was one of the pall-bearers at the funeral which took place in the Versailles Cemetery.

### BOSTAIN.

Mr. William Bostain, aged about 68 years, for many years a successful merchant at Elizabeth, this county, died at the Massie Memorial Hospital in this city, at midnight Wednesday, after an illness of pancreatic cancer extending over a period of several months.

Mr. Bostain was a widower, his wife who was a sister of Mrs. Joseph Fithian, having died several years ago. He is survived by an only daughter, Miss Georgia Bostain, of Paris.

The remains were removed from the hospital to the residence of his nephew, Dr. Frank Fithian, on Mt. Airy Avenue. The burial will take place in the Paris Cemetery this afternoon, the funeral cortage leaving the Fithian residence at 4:00 o'clock. The services will be conducted at the grave by Rev. J. T. Sharrard, and the Knights Templar service by the local commander.

The present concrete foundation shall then be laid the following wearing surface:

Such wearing surface shall be composed of hard crushed stone, sand and bituminous cement, and shall have the thickness, when compressed, of two inches.

In preparing the mineral aggregate for the above wearing surface the following method and apparatus shall be used:

The several grades and sizes of mineral aggregate shall be accurately measured in proportions previously determined by laboratory tests to

give the best results, that is, the most dense mixture of mineral aggregate and one having inherent stability,

heated in a rotary mechanical heater,

so designated as to keep each batch

by itself until heated and then pass

into a rotary mixer; or the varying

sizes of stone approximately proportioned shall be fed into an elevator

terminating and discharging into a rotary dryer, and, after heating, the stone shall be elevated and passed

through a rotary screen having sec-

tions with various size openings. The

minimum screen opening shall be a

one-tenth inch, and the maximum

shall not be greater than one and one-

half inch. The difference in the width

of openings in successive sections

shall not exceed one-fourth inch in

sections having openings smaller than

one-half inch, and shall not exceed

one half inch in sections having open-

ings greater than one-half inch. The

several sizes of stone thus separated

by the screen sections shall pass into

a bin containing sections or compart-

ments corresponding to the screen

sections. From these compartments

the stone shall be drawn into a weigh

box resting on a multi-beam scale. The

several sizes of mineral aggregate, af-

ter being separately weighed and

measured as above, shall be dropped

into a twin pug or other approved

form or mixer. In the mixer bitu-

lithic cement shall be added in suffi-

cient quantity to coat all particles and

fill such voids as remain unfilled by

the proportionment of the mineral ag-

gregate. The aggregate shall be so

proportioned as to secure in the ag-

gregate inherent stability, density

freedom from voids and resistance to

displacement, and a mixture which

when combined with the bitulithic ce-

ment and compacted together will

form a bituminous street pavement

structure containing mixed mineral in-

gredients of such grades as will give

the structure inherent stability, and

one in which the largest and smallest

piece are associated with each other

indiscriminately throughout the

structure, and in which the plastic bi-

tuminous composition permeates the

entire mass, uniting the various sized

particles thereof; filling the voids and

forming the wearing surface. If the

crushed stone does not contain

finely divided particles to fill the

small voids in the aggregate, the de-

iciency of these finely divided parti-

cles shall be made up by the addition

of sand or other suitable fine mineral

**STORM INTERFERES WITH ELECTRICAL SERVICE IN CITY.**

During the storm which passed over Paris and vicinity yesterday afternoon several poles carrying the high tension wire of the Lexington service which supplies Paris with light and power, were blown down, and connections severed. The light and power service for Paris was interfered with, temporarily, but energetic work by the company's workers had the service restored by 7 p. m. The worst damage was done between station 34 and 35 on the interurban line between Paris and Lexington. The Paris Gas & Electric Light Co.'s office was besieged by anxious inquirers. Superintendent Steenbergen and assistants got busy and by dint of persistent work got assurances from the Lexington end of the line that the service would be resumed by 7:00 p. m. Every effort that could be made to restore the service was made by the Paris officials and they even made arrangements to start up the Paris plant, when the current came on and service resumed.

## ELECTRICAL STORM

Severe Storm Passes Over Paris and Vicinity Yesterday Afternoon

Following several days of extreme heat, a storm of great severity developed in this section yesterday afternoon, doing considerable damage, but nothing of a very serious nature, so far as could be ascertained.

Lightning struck the steeple of the Presbyterian Church, corner of Pleasant and Sixth Streets, tearing out a window casing and breaking several panes of glass.

Two horses being led from a stable just below the church, by James Elliott, were stunned and thrown to the ground, but soon recovered. Mr. Elliott was slightly stunned, but unharmed.

An unknown woman, whose name could not be learned was stunned and thrown against the fence.

The barn of Mr. Fay Ardery, on the Lexington pike, was struck by lightning and destroyed, together with contents.

## BOURBON CIRCUIT COURT

Miss Nannie Florence, of Versailles, was awarded a verdict of \$500 Tuesday in her action for damages in the suit brought against Mr. John K. Northcott, of Cynthiana. Mrs. Florence sued for damages as a result of personal injuries received when her car was hit by Mr. Northcott's automobile, and ran away.

The hearing of the suit of Mr. G. V. Graves against Thomas Craven for \$2,500 damages, was begun Tuesday afternoon. The case was given to the jury Wednesday morning, after arguments by counsel. A verdict of \$100 in favor of Graves was returned.

In the case of the Houston committee against John Buckley, Wednesday, the jury failed to agree. There being on further cases for this term of court the petit jury was discharged.

## CROP REPORT JUNE 1, 1914.

The month of May was an unusually dry one in Kentucky. The crop reports coming to this office as of June 1st, show that there was practically no rainfall in Kentucky from May 8th to June 1st. Almost every report speaks of the drought, but the damage up to June 1st has not been serious. Since this time copious rains have fallen in many parts of the State. The best rains have occurred in the central and eastern portions of the State. Showers over limited areas have occurred in the western sections.

Wheat cutting has begun in the southern portion of the State, and the indications are that we will have a record-breaking crop in Kentucky. Condition is given at 96 per cent. at the beginning of the harvest, and it is now too late for weather conditions to prevent the maturing of a large yield of wheat of splendid quality. The crop has but one danger to run now, and that is, an excessive rainfall while in the shock. Rye has held its own and the condition is given at 98 per cent. This crop is practically made. Another crop that is made and ready for harvest is the Bluegrass seed crop, which will be large and of good quality. Condition of Bluegrass is given at 96 per cent.

The corn acreage is given at 96 per cent, while the condition is stated at 87 per cent. The drought to a certain extent has affected both the planting of the corn and the condition of that planted. The damage to corn, however, is probably not very great, as the rains that have fallen since the first of June will remedy much of the trouble indicated by the reports. Oats, however, with an acreage of 89 per cent, has suffered materially in condition, the latter dropping to 74 per cent. A rain would help the oats crop some, but this can not possibly be a heavy crop this year.

Tobacco beds have suffered in a measure from the drought. Lack of moisture has prevented the transplanting of plants at the proper time, and there are complaints of the plants getting too large for transplanting. This damage, however, can not be considered as very serious. Condition of Burley tobacco is given at 86 per cent, and that of dark tobacco 81 per cent. Cut worms are doing considerable damage to both corn and tobacco.

Alfalfa and orchard grass are both given at 86 per cent, and have not suffered as much from the drought as young clover and timothy, which show a condition of 74 per cent. Garden conditions are given at 80 per cent. The prospects for a large fruit crop remain good, but the strawberry crop was cut to about 60 per cent. of a crop as the result of the dry conditions at maturity. Indications are for a large blackberry crop, this being given at 96 per cent; grapes at 87; apples 78; peaches 84; pears 72, and plums 78 per cent.

All live stock is in good condition, comparatively speaking, with lambs beginning to show the effect of short pastures. Condition of horses is given at 95 per cent; cattle 94; hogs 91; and sheep and lambs at 90. Young turkeys have suffered from the heat, and their condition is given at 82 per cent; ducks at 90 and chickens at 95.

The hay crop has been cut down some by lack of moisture.

Taken as a whole, the wheat, hay and bluegrass seed crops are assured, while the corn and tobacco crops are not injured to an irreparable extent. Seasonable weather can yet make this year a prosperous one to the farmers in Kentucky.

J. W. NEWMAN,  
Commissioner of Agriculture.

One reason why there are so many hypocrites in the world is because every child is told to tell the truth and be polite. If you tell the truth you are due for a good clubbing, and if you are polite you have to be a slick liar.

Why is it that a girl can look so dainty when she is dressed in white and a man always looks like he was peddling something when he tries it?

MRS. WINN'S  
ADVICE TO WOMEN

Take Lydia E. Pinkham's Vegetable Compound and be Restored to Health.

Kansas City, Mo.—"The doctors told me I would never be a mother. Every month the pains were so bad that I could not bear my weight on one foot. I began taking Lydia E. Pinkham's Vegetable Compound and had not finished the first bottle when I felt greatly relieved and I took it until it made me sound and well, and I now have two fine baby girls. I cannot praise Lydia E. Pinkham's Vegetable Compound too highly for what it has done for me. I always speak a word in favor of your medicines to other women who suffer when I have an opportunity."—Mrs. H. T. WINN, 1225 Fremont Ave., Kansas City, Mo.

## Read What Another Woman Says:

Cumming, Ga.—"I tell some suffering woman every day of Lydia E. Pinkham's Vegetable Compound and what it has done for me. I could not eat or sleep, had a bad stomach and was in misery all the time. I could not do my housework or walk any distance without suffering great pain. I tried doctors' medicines and different patent medicines but failed to get relief. My husband brought home your Vegetable Compound and in two weeks I could eat anything, could sleep like a healthy baby, and walk a long distance without feeling tired. I can highly recommend your Vegetable Compound to women who suffer as I did, and you are at liberty to use this letter."—Mrs. CHARLIE BAGLEY, R. 3, Cumming, Ga.

## WHAT'S THE REASON?

Many Paris People in Poor Health Without Knowing the Cause.

There are scores of people who drag out a miserable existence without realizing the cause of their suffering. Day after day they are racked with backache and headache; suffer from nervousness, dizziness, weakness, languor and depression. Perhaps the kidneys have fallen behind in their work of filtering the blood and that may be the root of the trouble. Look to your kidneys, assist them in their work—give them the help they need. You can use no more highly recommended remedy than Doan's Kidney Pills—endorsed by people all over the country and by your neighbors in Paris.

Mrs. Hodge, 821 West street, Paris, Ky., says: "I had dizzy and nervous spells and my back and head ached, showing that my kidneys were weak. When I saw Doan's Kidney Pills advertised, I used them and they gave me relief."

Mrs. Hodge is only one of many Paris people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mrs. Hodge had—the remedy backed by home testimony. 50¢ all stores. There is nothing new under the sun. The potato sack skirt as worn to-day. The potato sack skirt as worn to-day worn upside down.

A corset company advertises a new model that will produce the "natural line effect." Venus and September Morn are there with the natural line effect, but they must have forgotten the corset.

There are a few modest men in the world. But there never was a man who didn't claim to be a good judge of human nature.

The old-fashioned woman who used to get the grocer to tie the groceries up with a piece of stout cord so she could use it for a corset lacer, now has a daughter who must have the Silk Tubular kind, eight yards long and two-bits a throw.

And Father will indignant about it being HIS front porch and that he will do as he darn pleases. But it always winds up in father sulking in the house and spitting on the floor to show his independence.

Styles never change. Forty years ago they wore lace trimmed pantaloons that were visible several inches under the skirt. And now the blamed things are back again disguised as the latest mode.

SAYS SULPHUR IS SURE TO  
RELIEVE ITCHING ECZEMA.

Get An Ounce of Bold-Sulphur Cream and Heal Skin Eruptions Right Up.

Any breaking out or irritation on the face, arms, legs or body when accompanied by itching, or when the skin is dry and feverish can be readily overcome by applying a little bold-sulphur cream, says a noted dermatologist.

He informs us that bold-sulphur instantly allays the angry itching and irritation and soothes and heals the Eczema right up, leaving the skin clear and smooth. Bold-sulphur has occupied a secure position for many years in the treatment of cutaneous disorders because of its parasite-destroying property. Nothing has ever been found to take its place in treating the irritable and inflammatory skin affections. While not always establishing a permanent cure it never fails to subdue the itching irritation and drive the Eczema away and it is often years later before any eruption again appears on the skin.

Those troubled should obtain at any pharmacy an ounce of bold-sulphur cream which is applied to the affected parts in the same manner as an ordinary cold cream. It isn't unpleasant and the prompt relief afforded, particularly in itching Eczema, proves very welcome.

Pedestrians have the right of way at street crossings, and drivers of vehicles "must recognize this right at their risk," declared Judge Sulzberger in the Quarter Sessions' Court in Philadelphia, in refusing a new trial to William K. Hoskins was sentenced to six months in jail and to pay a fine of \$250.

## NEWS OF MILLERSBURG

Mrs. Charles Insko is among the sick.

Mr. J. J. Peed continues about the same.

Mrs. Mary J. Caldwell is among the sick.

Mr. T. R. Robinson has purchased the automobile of the late Mr. B. A. Neal.

Mrs. M. E. Martin, who was overcome with heat a few days ago, is better.

Miss Lou Redmon, of Falmouth, arrived Thursday as the guest of Mrs. O. E. Hurst.

Mrs. J. D. Booth entertained a number of her lady friends with a dining, Wednesday.

Miss Mary Bruce Redd returned Monday, after a two-weeks' visit to Miss Rutter, of Cincinnati.

Mrs. L. T. Vimont, of Cincinnati, arrived Sunday as the guest of her mother, Mrs. Russell Mitchell.

Mrs. J. C. Head and little daughter, Elizabeth, returned Tuesday, after a three-weeks' visit to relatives at Bradford.

Mrs. A. S. Best and little daughter, Sarah Miller, left Monday for a visit to her parents, Dr. and Mrs. Alex Hunter, at Washington, Ky.

Mr. and Mrs. Ashby Leer and daughter, Josephine, and little Miss Mary Bush Allen, will leave Saturday for a visit to Mr. U. S. G. Pepper and family, at Huntington, W. Va.

A picture show opened here on Thursday night. The audience was large and the display was good, the music was rendered by Miss Alma Jones, which was enjoyed by all present.

Dr. C. C. Fisher has sold his double lot in Butler Addition to Mr. J. Booth. Mr. Booth will give the same to his daughter, Mrs. M. C. Grimes, after erecting a handsome residence on it.

Dr. W. G. Dailey and Col. W. M. Layson returned Thursday after a two weeks' sojourn at Martinsville, Ind. The Colonel is much improved, but there is little change for the better in the condition of Dr. Dailey.

The little folks of the Presbyterian Church gave a surprise party Monday afternoon at the home of Mrs. A. S. Venable, to little Miss Rebecca Collier, the youngest daughter of Mr. and Mrs. M. P. Collier. Ices and cakes were served.

The Sunday School of the Christian Church enjoyed a delightful picnic on the lawn of Mr. John Marr, Thursday. All the little folk were taken in wagons and wagonettes. Swings were put up and all manner of sports were indulged in. A delightful picnic dinner was served.

Mrs. J. P. Auxier entertained a number of the little folks Tuesday evening from 5 to 7, the occasion being the third birthday of her youngest son, Leland. The little folks indulged in all kinds of sport in the yard, and ices and cakes were served in the dining room. Mrs. Auxier was assisted in entertaining by her mother, Mrs. J. B. Cray, and sister, Mrs. J. Clarke Leer, and Misses Eliza-

beth and Alice Ingels, the latter of Eminence.

FOR SALE—A good six-room brick residence on the southwest corner of Fifth and Miller streets. With never-failing water in the yard. This is a good location, convenient to depot, churches and schools. The same can be bought very reasonable. This is a splendid opportunity, as we will give you a bargain. For further particulars, call on or address, M. P. COLLIER, Agent, Bourbon Lumber Co., Paris, Ky. (26June-8t)

The many friends of Miss Jennie Marie Pepper will doubtless learn with surprise that she will leave about August 1 for New York, where she will prepare to go on the stage. Miss Pepper, until within the last year was for several years one of our home girls. She now resides at Huntington, W. Va. She is a graduate of the M. F. C. and also of the department of expression. Later she spent a year in the Chester School of Expression, at Cincinnati, and became quite an accomplished reader. During the past years since residing at Huntington she has given number of readings.

Mr. and Mrs. M. Peale Collier moved Wednesday to their new home at Paris. It is with many regrets that we give these most estimable people up. They have always resided in this community, and when they grew up from childhood each of them marrying practically neighbors. Some months ago Mr. Collier purchased an interest in the Bourbon Lumber Co., about the same time disposing of his interest here in the Millersburg Coal & Lumber Co., to his partners, Messrs. W. A. Butler and A. S. Miller. Since then he has operated the business at Paris, going to and fro every day. He was one of our best business men, an active member of the Presbyterian Church and has served twice as Master of Amity Lodge No. 40 F. and A. M. Mrs. Collier is a member of the Baptist Church and also of several social societies. They both have always been interested in everything that was for the good of Millersburg, and their friends here are staunch and true. There is but one pleasure in their departure and that is they have not gone far from us, and we hope to have them with us often. Our loss is the gain of Paris, and we take the greatest of pleasure in recommending them to the people of Paris.

PARIS REAL ESTATE DEALS.

Mrs. Willie Mae Hamm, of this city, purchased this week from Dr. D. S. Henry, a vacant building lot on Harmon Street, in the Henry Addition to Paris, for a private figure.

Prof. J. S. Johnson purchased of C. Arnsperger a vacant building lot on Pine Crest Avenue, in the Bourbon College Addition to Paris at a private figure. A modern frame residence will be built by Prof. Johnson on the lot.

SELLING CHEAP.

## PROHIBITION ELECTIONS TO BE HELD IN KENTUCKY.

Shelby, Anderson and Mason counties will hold prohibition elections on September 28, at the same time that such elections are held in Fayette, Scott, Bourbon, Clark and Montgomery, and it is reported that a similar election may also be held in Franklin county. After it had been announced by the district convention of the W. C. T. U. that Fayette, Scott, Bourbon, Clark and Montgomery would hold prohibition elections September 28, the "drys" of Shelby and Anderson asked the State W. C. T. U., which has headquarters in Lexington, to join in the campaign and to give such aid as it can. The application was approved and meanwhile the Mason county prohibitionists decided on their own initiative to have an election on the same date and so notified the State W. C. T. U. officials.

## GEORGETOWN EDITOR HAS CLOSE CALL FROM DROWNING.

Stephen James, assistant editor of the Georgetown News, was rescued from a watery grave Tuesday at Dusky. He went down for the third time while swimming in Elkhorn Creek with several friends, including President Adams, of Georgetown College.

He unaccountably lost his balance. G. B. Bishop made his way to him in time to grasp him as he was sinking the last time. He had become black in the face, but after being hastily administered to, he was resuscitated.

## SPOILED THEIR FUN BUT NOT THEIR GOODS.

"Deputy Sheriff Caldwell and Chief of Police Hughes intercepted a couple of youthful negroes near the Woods crossing Saturday night as they were coming from Paris for court day. The officers captured the youths, together with ten quarts of whisky and 36 bottles of beer, all of which, except the youths, repose reproachfully in the big safe at the Sheriff's office. The youths went to jail."—[Cynthiana Democrat.

## MAJ. OTIS TENNY SUFFERS STROKE OF PARALYSIS.

Major Otis S. Tenney, of Lexington, aged 93, perhaps the oldest living Confederate in Kentucky, suffered a stroke of paralysis in his left side early Wednesday morning and was later taken to the Good Samaritan Hospital, where his condition was reported somewhat improved yesterday.

On account of his advanced age much anxiety is felt for the veteran attorney, who is one of the most widely-known men in Central Kentucky.

## ENCOURAGING NEWS RECEIVED.

(Continued from Page 1.)

of Mr. Thomas. The elder Mr. Thomas is one of the oldest and most successful agriculturalists in Bourbon County, and is widely known throughout Central Kentucky. He expressed himself as being highly pleased with the prospects of the success of Senator Thomas in the Congressional race and said that every day the campaign proceeded brought encouraging news from all over the Seventh District."—[Winchester Sun.]

## BECKHAM AT MT. STERLING.

MT. STERLING, KY., June 25.—Ex-Governor J. C. W. Beckham will address the voters of Montgomery County at the courthouse in this city on Saturday afternoon at 1:30 o'clock in the interest of his candidacy for United States Senator. Extensive preparations are being made by his friends to give Governor Beckham a large crowd and plans are on foot for delegations from other counties to attend the speaking. From the inquiries for bills and other information it is believed that Governor Beckham will be heard by one of the largest crowds that has ever attended a public speaking in this city.

## LAST ARGUMENT GONE.

"The last argument—if it may be called an argument—of the opponents of Gov. Beckham, that he would not be as strong as some other candidate in the final election, disappeared when both the Republicans and Progressives signified their intention of making nominations. This insures Mr. Beckham's election in November by fully one hundred thousand majority. But even if this were not true, Republicans and Independent voters by the hundreds are daily announcing their desire to vote for him, which makes him the most available man to lead us to victory, in any event."—[Mt. Sterling Advocate.]

## NEW ACT DEFINES THE MEANING OF "CHAUFFEUR."

Any employee or servant, part of whose duty it is under his employment to operate a motor vehicle, is a chauffeur within the meaning of the act of 1914 and must stand a State examination for a chauffeur's license, said Attorney General Garnett in an opinion as to what constitutes a chauffeur.
